LABORATORY REPORT

Item Name: **TABLETS**
Agency/Other ID: Tablets
Specimen Received: 06/21/18, 0935 Hours
Specimen Collected: Unknown

<u>Test</u>	<u>Specimen</u>	<u>Result</u>	<u>Date Completed</u>
DRUG SCREEN	Tablets	Tofacitinib	July 1, 2018

- i. **White tablet contains tofacitinib.** No other illicit drugs or pharmaceuticals were identified.
- ii. **Blue tablet contains tofacitinib.** No other illicit drugs or pharmaceuticals were identified.

Analysis performed by gas chromatography – mass spectrometry.

Sample descriptions:

- i. One half broken white tablet with “pf” and “L” imprints.
- ii. One full blue tablet with “B” imprint.

Notes:

- Both tablets are consistent with one another. Tofacitinib quantitation not performed.
- Inorganics, polymers, and inactive fillers may or may not be detected by laboratory's current methodology.
